United Nations
Educational, Scientific and
Cultural Organization

Intergovernmental
Oceanographic
Commission

ICAM

Table of contents

1. Introduction	1
1.1. Purpose, rationale and background	2
1.2. Audience and use of the handbook	2
1.3. Contribution to improving indicators and management practices	3
1.4. Other tools	3
1.5. Structure and organization of the handbook	4
2. Use of indicators in Integrated Coastal and Ocean Management.....	5
2.1. Introduction	6
2.2. Function of ICOM	6
2.3. Principles and international guidelines on ICOM	6
2.4. The ICOM process.....	8
2.5. The role of indicators in the management process.....	11
3. Governance performance indicators	17
3.1. Introduction.....	19
3.2. Coastal and ocean governance	19
3.3. ICOM governance indicators	20
3.4. Selection of governance indicators	21
3.5. Measurement of governance indicators.....	23
4. Ecological indicators	29
4.1. Introduction	30
4.2. Ecosystem-based management	30
4.3. ICOM ecological indicators.....	31
4.4. Selection of ecological indicators.....	32
4.5. Measurement of ecological indicators	33
5. Socioeconomic indicators	39
5.1. Introduction.....	40
5.2. Socioeconomic consideration in ICOM	41
5.3. Socioeconomic indicators.....	43
5.4. Selection of socioeconomic indicators	45
5.5. Measurement of socioeconomic indicators.....	47

6. Applying the indicators	53
6.1. Introduction	54
6.2. Stages in the application of the indicators	57
Stage A – Selecting the indicators for the test	57
Stage B – Planning the test	60
Stage C – Conducting the test	62
Stage D – Communicating results	62
7. Summary, lessons learned and recommendations	97
7.1. Introduction	98
7.2. Main finding and lessons	98
7.3. Recommendations	102
References	106
Acronyms	109
Glossary	110
Annexes	112
Annex I – Detailed description of governance performance indicators	113
Annex II – Major human activities, associated stressors and potential impacts on ecosystem properties and associated environmental issues	160
Annex III – Detailed description of ecological indicators	164
Annex IV – Detailed description of socioeconomic indicators	196
